

**Association of Breast Surgery Research Development Grants  
Application Form**

**1. Personal Details of the PI**

<b>Title of Proposal:</b>	
<b>Surname:</b>	
<b>Forenames (in full):</b>	
<b>Title:</b>	<b>Male/ Female</b>
<b>Date of Birth:</b>	<b>Nationality:</b>
<b>Current Home Address:</b>	
<b>Contact Phone Number:</b>	<b>E-mail address:</b>

**2. Details of Appointment**

<b>Title of Current Position:</b>	
<b>When did you take up this appointment?</b>	
<b>Name of Institution:</b>	
<b>Address:</b>	
<b>Finance Officer responsible for the grant application:</b>	
<b>Finance Officer's contact phone no:</b>	<b>Finance Officer's e-mail address:</b>

### **3. Co-applicant details**

**Please name all co-applicants for this research:**

### **4. Declaration**

I have read the details of the Association of Breast Surgery research grants and, if my application is successful, I agree to:

1. Submit a brief report to the ABS six months into the research project and within 3 months of the conclusion of the project. This would be for the use of the ABS in both paper and electronic publications.
2. To fulfil the reasonable media requests of ABS, including making a presentation of the project outcomes to the ABS Academic & Research Committee
3. To notify the ABS of any changes to the project and of any publications resulting from the project

**Signature of Applicant:**

**Date:**

**Applications should be saved as a pdf and returned to [lucydavies@absghi.org.uk](mailto:lucydavies@absghi.org.uk) by the 1<sup>st</sup> November 2020. Please submit the forms as a PDF named with the PI and the title of the proposal.**

**Please note that holders of a current ABS award as Chief Investigator cannot apply for a further concurrent award as CI.**

## 5. The Research

**5a. Title of Research:**

**5b. Summary of your research programme, including study design, methodology and how it would be delivered.**

*(750 words maximum)*

**5c. How would your research further the objectives of the Association of Breast Surgery?**

*(150 words maximum)*

**5d. Outline how your research would be of value to the NHS and would take appropriate account of the priorities, needs and realities of the NHS? Please include in this section any specific measures that will be taken, if appropriate, to minimise the impact of the COVID pandemic on your proposal (e.g. to minimise risk to study participants or if there is a second wave).**  
*(300 words maximum)*

**5e. Outline proposed Patient and Public Involvement (PPI) in your research:**  
*(150 words maximum)*

**5f. Outline how funding of your current grant application would lead to future research or changes to current practice**  
*(300 words maximum)*

## 6. New Investigator Award

Please tick the box if as the lead applicant you are a New Investigator (No previous grants or awards as Chief Investigator (CI) or Principle Investigator(PI)) and would like to be considered for the New Investigator Award

## 7. Lay Summary

Description of the proposed research using clear terminology, which should be understandable to members of the general public.

This should include the following and should not exceed 100 words:

- A simple heading/ title
- Details of the area of breast disease it relates to and the proposed nature of the research
- How this research might deliver change and impact in the future

## 9. Financial Details

*Please note that grant funding should not normally be requested to support computer hardware, computer equipment, training or attendance at conferences or other events.*

Financial details of the grant requested:	
<b>Item:</b>	<b>Amount:</b>
<b>Total:</b>	
<b>Outline any other sources of funding for this project:</b>
