

ABS Conference, 13th & 14th May 2019, SEC Glasgow

The ABS Conference will be held on the 13th & 14th May 2019 at the SEC Glasgow. The programme is in development, with John Kim (Northwestern Memorial Hospital, Chicago), Larry Norton (Memorial Sloan Kettering Cancer Centre, New York) and Zhiming Shao (Fudan University Cancer Institute, China) all confirmed as invited lecturers.

Following on from the success of the sponsored sessions at the ABS Conference in 2018, the ABS is keen to look at options for providing educational programme content in partnership with our sponsors. The ABS Conference was attended by 900 delegates in 2018, including over 400 consultant and staff grade surgeons, over 150 surgeons in training and over 200 breast care nurses. The other delegates were made up of other consultants, QA and audit staff and medical students.

The exhibition will be in Hall 2 and the floorplan is now available. Companies wishing to exhibit can choose from a 3m x 2m stand, a 5m x 4m stand and a 5m x 6m stand.

Companies wishing to exhibit at the ABS Conference are advised to book early as the exhibition has sold out in recent years.

Please note that companies booking before the end of 2018 will not be invoiced until 2019.

See the ABS website for further information:

Exhibitors may not exceed the number of representatives outlined for the package they are taking.

Industry representatives will not be able to register as delegates unless their company is exhibiting at the ABS Conference.

5th ABS Multidisciplinary Meeting

Genetic testing in 2019 and the management of high risk patients

14th January 2019, QEII Centre, London

.....

The 5th ABS Multidisciplinary Meeting will again be held at the QEII Centre, which provides a large auditorium and exhibition space in the Pickwick Suite. The last meeting in 2017 was attended by over 400 delegates.

Programme details are available on the ABS website. It is anticipated that the delegates will be from all areas of the breast multidisciplinary team.

A stand in the exhibition will cost £950 + VAT. Companies will be allocated a 3m x 1m space and will be provided with a table and chairs. The exhibition floorplan is now available for companies wishing to exhibit at the meeting.

ABS Breast Specialty Courses Portfolio

In 2019 the ABS will run the first courses as part of its new portfolio of breast specialty courses. These are updated versions of the courses previously run by the Royal College of Surgeons of England.

The courses will include the Advanced Skills in Breast Disease Management Course (being run at Selwyn College, Cambridge from the 27th to 29th March 2019) and cadaveric breast reconstruction courses.

Sponsorship opportunities for these courses are available.

Please contact **Lucy Davies** for further information on lucydavies@absgbi.org.uk or **020 7869 6852**

Sponsorship opportunities for all ABS meetings can be tailored to suit the individual sponsor's requirements.

For further details or to discuss sponsorship opportunities please contact Lucy Davies on lucydavies@absgbi.org.uk or 020 7869 6852
