

# EARLY NETWORK MEMBERSHIP

The Mammary Fold is offering Early Network membership to medical students, foundation doctors, core or specialty doctors in year 1 or 2 and clinical fellows in order to support and inform those who may be considering a career in breast surgery.

Early Network membership is free and members will receive regular communications from the Mammary Fold.

Please complete the form to become a network member.

Forms should be returned, along with proof of your current grade (university or hospital ID, placement letter or similar) to **office@absgbi.org.uk**

Title: ..... First name: ..... Surname: .....

Current Year/Grade: ..... Deanery: .....

Expected date for completion of ST2: ..... Date of birth: .....

.....

.....

Contact email: .....

## DATA PROTECTION:

The Early Network's membership is administered for the Mammary Fold by the Association of Breast Surgery.

The Association of Breast Surgery does not release individuals' addresses to any organisation or external body. It will routinely send communication to its network of contacts with information they feel will be of interest to them. The ABS' privacy policy is available at: **www.associationofbreastsurgery.org.uk**

The Mammary Fold may wish to facilitate communication with the Early Network members through its regional representatives. The ABS may pass on the Early Network members' contact e-mail addresses to the regional representative to allow them to represent them at Mammary Fold and ABS committees. The regional representatives will not use these e-mail addresses for any other purpose.

**I consent to the information on this form being stored and used in these ways**
